Εμβαδόν

 52 m<sup>2</sup>

A brand-new modern project designed for those who appreciate quality living, privacy, and security.

This development combines contemporary architecture with high-end specifications, offering a perfect balance of comfort, style, and energy efficiency.

Located in a gated community, the apartments provide a peaceful and private environment, ideal for permanent residence, holiday home, or investment.

With Energy Efficiency Class A, thermal insulation, and provisions for solar photovoltaic systems, the project is built to ensure low running
