 290 m²

A large plot of land measuring 4,367 sqm is for sale in the Geroskipou area of Paphos, including a detached two-storey house built in 2011, maintained in very good condition.

The property benefits from registered road access, regular plot shape, and is situated at the same level as the road, offering easy accessibility and future development potential.

The house is constructed with reinforced concrete structure (Category A) and features comfortable interior living spaces, auxiliary areas of 25 sqm, and a spacious fenced outdoor area of 290 sqm.

Externally, the property offers a private swimming pool of 50 sqm, ideal for family living and entertaining guests.
