Αξιολόγηση ενεργειακής απόδοσης

Available for rent, this modern, key-ready penthouse apartment offers a comfortable living space of 90 m². With four spacious bedrooms and three stylish bathrooms, this top-floor home is ideal for families or anyone who appreciates extra space. Access is made easy with an elevator that opens right into your private entrance.

This beautifully designed apartment, built in 2022, comes fully furnished with high-quality furniture and modern appliances. Large windows fill the rooms with natural light and provide both city and panoramic views. Enjoy peace of mind with energy efficiency class A, ensuring low utility costs and a smaller environmental footprint.
