## Commercial Plot for Sale

€950,000

 Drosia, Larnaca

Εμβαδόν

 **604 m<sup>2</sup>**

A spacious building plot of 604 m<sup>2</sup>, ideally situated in the sought-after area of Drosia. This sizable plot provides an excellent opportunity to build a dream home or invest in a new project. The generous space allows for flexible building options, with plenty of room for a comfortable residence, outdoor entertainment areas, and garden spaces.

Drosia is known for its pleasant, peaceful neighborhoods, making it a perfect location for offices and companies. The area features a blend of modern living and community charm, ensuring a balance between privacy and accessibility. It is especially popular among those seeking a quiet atmosphere without being far from the city.
