This four-bedroom house in Ormideia offers 118 square meters of fully furnished living space with two bathrooms. The layout moves through connected rooms with practical flow, accommodating a family or those needing multiple bedrooms for guests and work.

All four bedrooms are appointed and ready to use, with two full bathrooms serving the property. The furnishings throughout mean the house is move-in ready without additional setup or decoration work.

Ormideia is a residential village that forms part of the Larnaca district, situated inland from the coast. The village carries the everyday
