This three-bedroom detached house built in 1995 sits in Meneou with 128 square meters of internal space arranged over a practical layout. The home features two bathrooms and central air conditioning throughout, with partial furnishings in place. The interior includes three generously configured bedrooms and spaces that connect efficiently for daily living.

Outdoor space and storage complete the offering. The property sits close to local shops, schools, and services that serve the area daily.

Meneou is a residential village that forms part of the greater Larnaca
