 **74 m²**

Elevated on the first floor, this modern two-bedroom apartment in Town Center delivers 74 m² of fully furnished living space.

Renovated in 2026, the interior layout connects the main living area directly toward panoramic city views. Two dedicated bedrooms are served by two separate bathrooms, with complete furnishings included in the resale.

Originally constructed in 1999, the five-story residential building includes elevator access to every level.
