 77 m²

Set on the first floor of a four-story building, this two-bedroom apartment provides 77 m² of internal living space in Town Center.

Renovated in 2026 following its original 1999 build, the modern interior is offered fully furnished at 210,000 EUR. Two bathrooms serve the layout, and windows look out across the surrounding city.

An elevator provides step-free access across all four floors of the building.

Commercial premises and mid-rise residential blocks define the urban
