Residential Land for Sale

€119,000

 Xylotymvou, Larnaca

Εμβαδόν

 1446 m²

Offering an exceptional canvas for your vision, this generous 1446 m2 residential field in Xylotymvou presents an attractive opportunity for building a custom home or undertaking a tailored project. Listed at 119,000 EUR, the substantial parcel delivers impressive scale and tremendous flexibility within a welcoming Cypriot setting.

The expansive plot provides ample room to design a light-filled family residence complete with landscaped private gardens, outdoor entertaining spaces, and bespoke lifestyle features. Its residential status makes it a compelling choice for buyers seeking privacy, open surroundings, and the freedom to craft a personalized living environment tailored to their exact specifications.
