Energy efficiency rating

🌿 C

A two-storey 3-bedroom house built in 2006 is available for sale in very good condition, suitable for private residence or investment.

The property offers 163 sq.m. internal covered areas, 31 sq.m. covered verandas, and 14 sq.m. uncovered verandas. It is built with reinforced concrete and requires no renovations.

The house consists of three spacious bedrooms, comfortable living areas, kitchen, and standard view. Externally, it features a fenced plot, private swimming pool, and parking space.

An excellent opportunity for comfortable family living or investment.
