Energy efficiency rating

 A

A premium top-floor residence situated in the sought-after hills of Geroskipou, offering unobstructed sea views and refined modern living in a quiet elevated location. Designed with three-meter ceiling height, open-plan interiors, expansive covered verandas, and high-quality finishes, the apartment provides both elegance and functionality.

The development offers exclusive access to a heated indoor swimming pool, gym, sauna, landscaped areas, covered parking, and private storage. Air conditioning is installed in all rooms, electric shutters enhance privacy in the bedrooms, and provisions are included for
