## Two Adjacent Plots for Sale (Total 694sqm)

€135,000 <sup>+VAT</sup>

 Tremithousa, Paphos

Area

 **694 m<sup>2</sup>**

Two adjacent residential plots are available for sale together in a quiet and well-developed village area, offering a total land area of 694 sqm. This is an excellent opportunity for developers or private buyers looking for a larger combined plot with strong building potential.

The property is located in Kα6α residential planning zone with a building density of 100% and 50% coverage, allowing for flexible development options. The plots can accommodate the construction of one large residence, two separate houses, or a small residential project, making it suitable for both personal use and investment.

Type

**Building Plot**

Title deed

**Yes**
