 B+

This three-bedroom furnished apartment sits in Strovolos, offering 120 square meters of living space available for rent at 900 EUR per month. The building was completed in 1985 and fully renovated in 2021, combining established infrastructure with modern systems and finishes throughout.

The layout comprises three bedrooms and one bathroom, with all rooms served by the updated finishes from the recent renovation. The apartment is fully furnished and ready for immediate occupancy, with utilities and amenities already in place for a tenant moving in.

Strovolos is a residential district adjoining Nicosia, with food shopping, cafes, and local services within the neighbourhood. The area consists
