2012

Energy efficiency rating

 **B+**

This two-bedroom duplex in Kalavassos provides 77 square meters of internal living space with an east-west orientation that captures sunlight throughout the day.

Constructed in 2012 and renovated in 2025, the interior is fully furnished with modern fittings. The first-floor layout positions the main living spaces alongside two bathrooms.

Shared outdoor amenities include a communal swimming pool set within the grounds.
