Offering a generous 90 m² of comfortable interior living space, this three-bedroom apartment on the first floor presents a welcoming opportunity in the coastal setting of Harbor, Cyprus. Dating from 1977 within an intimate two-story building, this home is offered at 165,000 EUR and provides an appealing balance of space, position, and value.

Inside, the practical layout is designed for effortless day-to-day living. The central living and dining areas offer a bright, flexible environment for relaxation and gathering, coming partially furnished to ease your transition. Three well-sized bedrooms offer comfortable private quarters for families or guests, well served by a central bathroom.

Life in the Harbor district places everyday essentials right at your
