Apartment

Year of construction

2011

Freshly updated and filled with natural light, this modern 96 m² apartment presents an inviting opportunity in peaceful Dromolaxia. Originally built in 2011 and thoroughly renovated in 2025, the home features three well-proportioned bedrooms, making it an ideal choice for growing families or professionals seeking versatile living space.

Step inside to discover an airy layout enhanced by an east-facing orientation that welcomes the morning sun. The main living and dining zones offer a clean, open environment with contemporary finishes throughout. Offered unfurnished, the interior serves as a pristine blank canvas ready to be styled to your unique taste, supported by a neatly appointed bathroom designed for practical daily comfort.
