Energy efficiency rating

 B+

Offering an impressive 135 m2 of internal living space, this substantial apartment in Aglantzia presents an appealing rental opportunity at 850 EUR per month. Designed for those who value room to breathe, the home caters effortlessly to growing families or busy professionals seeking balanced living in an established residential enclave.

Step inside to find an inviting main living area filled with natural light, accommodating both relaxed lounging and comfortable dining with ease. The layout transitions smoothly toward three well-proportioned bedrooms, each creating a peaceful private retreat for rest or a dedicated work-from-home setup. Serving the accommodation is a neatly appointed bathroom arranged for streamlined daily routines.
